J. F. KIRK, *Secretary.*

G. T. ROWE, *President.*

REPORT No. 2

Your board has had before it reports and communications from the following sources: The Secretary of the General Board of Education, the Secretary of Ministerial Supply and Training, Trinity College, Greensboro Female College, Davenport College, Weaverville College, Rutherford College, and from the Trustees of Jefferson School and from the President of Brevard Institute.

We call attention to the publication by the General Board of Education for distribution upon application, of the following pamphlets: "The Call to the Ministry," "The Making of the Ministry," "The Church College," and others of like character. We commend to the undergraduates of our Conference, the Correspondence School as a means of taking the examinations on the Conference Course of

Study in the early part of the year. We desire to express our willingness to co-operate with Dr. Stonewall Anderson in his effort to magnify and unify the work of education in the church.

The continued and increasing success of Trinity College is cause for gratification to your board and to the friends of education everywhere. The generous offer of Messrs. B. N. and J. B. Duke to give a large sum to the permanent endowment of the College, upon certain conditions, among which is the contribution of \$100,000 for the same purpose by persons within the bounds of the W. N. C. Conference, brightens the prospects of Trinity College and assures to it the permanent position of leadership in education in the South Atlantic States, provided these conditions are met. We, therefore, express our thanks to these brethren, who have already done so much for Trinity College and hereby pledge ourselves to hearty co-operation with the Board of Trustees in their endeavor to meet these conditions.

We note with genuine satisfaction that Greensboro Female College is now ranked by our General Board of Education in Class "A", being thereby placed among the highest class colleges of the country. Your board is pleased with the success that has attended the efforts of Rev. W. M. Curtis to raise funds for the erection of a new dormitory. The completion of this worthy enterprise would result in the accommodation of a large number of girls, who would otherwise be debarred from receiving the superior benefit of the training offered here. We desire to express, on behalf of the board and of the Conference, our cordial appreciation of the gift of \$10,000 by Mr. J. W. Fitzgerald of Davidson county, and the Secretary of the Conference is hereby instructed to convey to him our feeling of gratitude. The bequest of the late Rev. S. H. Helsabeck of \$1,200 to the endowment fund of the institution, points to a most excellent method of investing for permanent results, funds that are to be handed down to the future.

Davenport College, Weaverville College and Rutherford College are doing a work far in advance of what might be expected of such institutions, judged from the amount of financial assistance received from the Conference. The church is thus able to command a type of consecration that becomes its chief asset in moulding the character of our young people. We declare most emphatically that these schools are, to the life and welfare of the church, an absolute necessity, and we urge both preachers and laymen to cooperate in providing for proper equipment and adequate salaries. The church is most fortunate in having at the head of these schools such competent, aggressive and consecrated men as J. B. Craven, O. S. Dean, and M. T. Hinshaw. We note from the report of the Trustees of

the Jefferson School that there has been raised in subscriptions \$9,625.50, and also six acres of land deeded to the Methodist Episcopal Church, South, by Mrs. Eula J. Neal, valued at \$1,200, a total of \$10,825.50.

The assessment made by the General Board upon our Conference is \$4,085. We recommended an assessment of \$10,000, and that this total assessment of \$14,085 be apportioned among the districts.

We acknowledge an appropriation of \$1,000 each to Weaverville and Rutherford College by the General Board, and request that the same amounts be appropriated for this year.

We recommend that a collection be taken on the first Sunday in May in all our charges for Brevard Institute.

We recommend the confirmation of the following trustees: Rev. T. F. Marr, Rev. S. B. Turrentine, Dr. J. Howell Way, and P. H. Hanes, Jr., for Trinity College; C. A. Bray for Greensboro Female College; Rev. Ira Erwin, Rev. J. H. Weaver, Rev. W. F. Womble, F. W. Campbell, B. F. Davis, E. C. Smith, C. C. Moore and E. A. Cole for Rutherford College; Rev. L. T. Mann, Rev. Harold Turner, W. C. Newland and John M. Tuttle for Davenport College.

We also recommend the appointment of Rev. J. B. Craven, as president of Davenport College; Rev. J. A. Baldwin as president of Southern Industrial Institute; Rev. W. M. Curtis as Secretary and Treasurer of Greensboro Female College; Rev. E. K. Creel and Rev. W. B. West as teachers in Rutherford College.

We recommended that \$2,500 be appropriated to the sinking fund to pay the bonded indebtedness of Trinity College, and that such appropriation be continued annually until our half of the debt is paid, provided that any funds for Trinity College resulting from the efforts of the Secretary of Education shall be applied to the payment of said indebtedness. We recommend that the remainder realized from the Conference assessment be distributed equally among Greensboro Female College, Davenport College, Weaverville College and Rutherford College.

We recommend that the \$500 conditionally appropriated to Jefferson School be left in the hands of the treasurer of the Board of Education, with instructions to place and keep at interest, until the Board of Trustees of said school shall have collected the \$10,000, less the land as valued in the report as above indicated.

We recommend the appointment of W. R. Odell and P. T. Durham as a committee on Correlation to co-operate with a like committee of the N. C. Conference.

Respectfully submitted,

G. T. ROWE, *President.*

JNO. F. KIRK, *Secretary.*

REPORT OF BOARD OF MISSIONS

REPORT No. 1

Last year the General Board of Missions paid nearly \$12,000 for interest on borrowed money. This money that is forever gone from the treasury of the church, might have been used to keep ten to twelve missionaries in the field, whose lives and work would have been an ever growing influence for good.

A larger part of this money would have been saved and this good would have been conserved had we been more prompt in collection and forwarding our missionary money.

Therefore your Board of Missions recommends that this Conference pledge itself to undertake to collect and forward the foreign and domestic missionary offerings by March 31st, 1912.

REPORT No. 2

We request the Conference to make the District Lay Leaders ex-officio members of the District Conference.

REPORT No. 3

A proper characterization of the present missionary situation would be to say that it is both hopeful and urgent. It is hopeful because the world is open to missionary effort as never before, because the people are willing to hear the gospel as they have never been before, and because men are actually accepting Christ in constantly increasing numbers. It is urgent because the present favorable conditions will change and in the very nature of things the opportunity now before the church will pass away, and if not used now it will be forever lost.

The home church has been "slow of heart to believe" that the fields are indeed ripening unto the harvest, but there are evidences on every hand of a growing interest and enthusiasm for missions, an interest that needs to be fostered till it is commensurate with the necessities of our work.

It is the preacher's privilege to foster this growth of missionary sentiment and thereby lead in the growth of the Kingdom of God. In order to do this he must be thoroughly conversant with the aims, methods and progress of the whole missionary enterprise—he must be a student of missions, familiar alike with the current literature on the subject and with the standard books. Out of this study, brethren, will come renewal of your own faith and refreshment to your own spirit. We would suggest that every one who can, especially our Conference leaders, attend the Mid-Winter Institute held at the Methodist Training School at Nashville, Tenn., and we commend to the younger preachers the advantages of a term or more in the Training School itself.

It is a part of our ministry to diffuse missionary intelligence among our people. By a judicious distribution of the pamphlets furnished by the Board of Missions and the Laymen's Missionary Movement, by increasing the circulation of *The Missionary Voice*, by organizing mission study classes, every preacher may accomplish this ministry.

And the pastor must lead the missionary activities of his flock. He should teach them to pray as well as to give. The Missionary Committee is designed not so much to lighten the labor of the pastor as to make his labor more productive. Take time to instruct this committee in their duties and the results will repay your efforts.

The Conference Missionary Secretary

The Conference Missionary Secretary is an office established by the General Conference "to travel in the interest of its own missions and the work of the Board of Missions," and is designed to

assist the preachers in their work. We are fortunate in having a Secretary so efficient as the Rev. H. K. Boyer. But he can help only when you use him. We recommend that each presiding elder arrange, if possible, for him to meet the district stewards, the preachers, the district lay leader, and the church leaders at an early date in an institute of at least one day. And also that each presiding elder arrange in his district an itinerary for Bro. Boyer, consulting him as to the programs of the meetings.

The Laymen's Missionary Movement, although it is an organic part of the church, is not an organization but a movement which we would urge the pastors to introduce and encourage, because it is not only missionary in spirit and aim but it is also helpful to all the activities of the church.

The Every Member Canvass is not merely an effort to get a contribution for missions from every member of the church. It is a canvass of the whole church by the Missionary Committee going two together seeking a weekly or monthly offering for all the benevolences of the church. How to conduct the canvass is fully described in the literature that can be had for the asking from the Board of Missions at Nashville.

We recommend the appointment of H. K. Boyer as Conference Missionary Secretary, and D. H. Comann as Conference Evangelist.

We recommend the election of C. H. Ireland as Conference Lay Leader.

The total assessments this year are the same as last. However a part of the assessment for foreign missions has been transferred by the General Board to the Home department, thus making the assessment for Home and Conference Missions larger than for Foreign Missions.

REPORT OF SUNDAY SCHOOL BOARD

The meetings of the Board have been more largely attended this year than at any previous session in the history of our Conference. The interests committed to this board have been considered with painstaking care and real enthusiasm. The Board at least has realized the significance of the quickened interest in the work of the Sunday School throughout the Protestant Churches of our country, and is anxious that the fruits of this interest and enthusiasm shall be gathered in our own Church.

There never was a time when the Sunday school was reaching so large a number as it is today. The great awakening seems to be among the adult constituency of the churches. The ideal toward which we strive is its enrollment and regular attendance upon the instruction of the Sunday School of the whole membership of the church, together with the children and others who come within the sphere of its influence. To this end we direct the attention of pastors, superintendents, and teachers to the tremendous possibilities of the organized class, both for adults and scholars in the intermediate department. We urge the pastors and superintendents to send to our Sunday school rooms in Nashville, Tenn., and secure literature that will inform them as to the best methods of organization, and to proceed at once to carry into effect those methods in all our Sunday schools. We further urge that our classes be enrolled as "Wesley" classes so that they may be allied with our denominational forward movement.

The Board recommends the holding of special inspirational meetings in every district, and in every charge possible, in which there

shall be a through discussion and conference on modern Sunday School methods with regard to teaching, organization, and increase of attendance. The Board suggests that those meetings be held on Saturday and Sunday on the Circuits. The members of the Sunday School Board in each District, in consultation with the Presiding Elder, Pastors, and Superintendents, are hereby charged with the making of programs for these occasions and all the arrangements for these meetings. The Board suggests the use of local talent on the programs, wherever such talent is available.

The observance of Rally Day on some Sunday in October is coming to be quite general in our City Sunday Schools. The Board heartily approves of this and recommends its extension to the village and country Sunday schools as well.

The Board of Church Extension, at Louisville, Ky., asks for birthday offerings from members of the Sunday school to be applied on a Loan Fund for the erection of modern Sunday school buildings. The Church Extension Board offers to furnish "Birthday Jars," free of charge, to all Sunday schools that apply for them, together with full instructions as to their use. This Board commends this undertaking.

It is the opinion of the Board that the best use of the Sunday school as a feeder to the church has not been made in most of our congregations up to this time. It would utter an earnest plea for the observance of at least two Decision Days during the year, which should be preceded by painstaking personal work on the part of the teachers, and private interviews on the subject of personal salvation between pastor, parents and children; wherever such methods have been pursued they have yielded rich results in the conversion of the children.

The observing of Children's Day is of the utmost importance to this Board, and is fraught with tremendous significance for the Sunday Schools. The Board derives all its revenue from the collections taken on this day. The calls for assistance from needy Sunday schools have been numerous during the year, and we hope that through the activities of the Board the work will be extended so that the demand upon it will steadily increase. The Board is anxious to do some aggressive work in the field committed to it. It cannot do this without funds. It therefore appeals to pastors and superintendents to observe Children's Day, in every charge and Sunday School, and send the collections at once to W. A. Lambeth, Sec. and Treas., Winston-Salem, N. C.

We would call the attention of our pastors, superintendents, and Sunday school workers, to the organized Sunday school work, being conducted in our State by the North Carolina Sunday School Association. This association stands for the co-operation of all Christian

churches in securing more interest and efficiency in Bible Study; better methods of Sunday school management and Bible teaching; more closely linking the home with the church; increasing the attendance upon church services, extending the benefit of the Sunday school to every man, woman, and child, and the conversion of the scholars to the Lord Jesus Christ, and developing them for Christian service.

This movement is worthy of our hearty endorsement and co-operation and we urge all our Sunday school superintendents, teachers, and workers to avail themselves of its benefits by cooperating with the State Sunday School Association in its State, County and Township Conventions. Brethren, do not fail to attend the State Convention in Asheville next April

In order to improve the quality of our teaching, it is of pre-eminent importance that our Sunday Schools avail themselves of the facilities provided by the General Sunday School Board for teacher-training. This Board recommends the use of the helps and the organization of teacher training classes, wherever possible.

The cause of missions must be kept constantly and persistently before the Sunday Schools. The Board can recommend no better means of fulfilling this duty than that provided by the "Discipline" of our Church. Let the instruction on this subject be constant, sane, and enthusiastic. Such instruction, alone, producing deep conviction on the subject, can secure from our Sunday schools the fruits of success, volunteers for the mission fields, and liberal contributions for their support.

The one institution, which above all others in our midst commends itself to the sympathy, love, and care of our Churches and Sunday Schools, is the Children's Home. The thought of the schools needs only to be directed to it, in order that their earnest co-operation in its support may be secured. Let every school take the Fifth Sunday collections for the sustenance fund for the Home; and let schools, especially in our towns and cities, be afforded the opportunity and urged to improve it of taking shares of stock in the proposed school building for this institution.

The Board desires to make public mention of its gratification in having the presence and service of Reverend Charles D. Bulla, Superintendent of Adult Bible Classes in our Church, and Mr. J. Van Carter, General Secretary for North Carolina of the International Sunday School Association. They have been of great service to the Board, and it will always welcome their presence and counsels.

REPORT OF EPWORTH LEAGUE BOARD

We now have 84 chapters and a total membership of 3,039. The League is without doubt slowly gaining ground in our Conference. Our pastors, who are more largely responsible for its success or failure than any others, are becoming interested in it, and we confidently look forward to the time when the League will be organized in every pastoral charge.

The League Assembly, held in Hickory the past summer, was attended by one hundred and twenty-five young people and a number

of pastors. We believe this assembly did incalculable good and marked an epoch in the lives of many of these choice young people. The date has been fixed (June 3-7) and preparations are already being made for our next assembly.

We desire most heartily to endorse the Epworth Era, the official organ of the League, in its efforts to put into the hands of our young that class of reading matter which will heighten their intellectual and moral ideals, and leave no place in their minds for the poisonous literature that is flooding the country. We therefore urge all our Leaguers to read the Era and extend its circulation wherever possible. In this same connection we desire to express our appreciation of the admirable manner in which the League column of the Advocate has been edited, and to thank Rev. H. M. Blair for offering more space in the columns of the Advocate to the League editor.

Realizing the crying need of instruction in the Bible, the financial support, and the history and doctrines of our Church, we urge the pastors to give some of their best time and most earnest effort to the organization and operation of Junior Leagues wherever practicable, believing as we do that it affords the very best opportunity for the pastoral instruction of the children.

We recommend and urge that the Boys' League and the Boy Scout Movement be given serious attention, and that an effort be made by our pastors to enlist and hold for the church of God our boys. A number of patrols should be organized and their work demonstrated during the incoming year. The General Secretary at Nashville will be pleased to give all desired information.

Your board is much gratified to find our Leaguers organizing Mission Study Classes, for we believe nothing is of greater importance to the young life of our church than a systematic study of the world's great mission fields.

We are delighted to report a steady increase of interest in the building of the Cottage Home on our Children's Home property at Winston-Salem to which the Leaguers of this Conference have pledged themselves. More than eleven hundred dollars of the five thousand dollars needed for this purpose has been subscribed, and we believe the enterprise cannot now fail. The Epworth League will surely rise to meet its opportunity and right loyally and gladly complete this task which means so much to the homeless children of our Conference.

Your Board desires to express its very high appreciation of the magnificent address brought to our Conference by our beloved Dr. H. M. DuBose, the father of the League Movement in our connec-

tion, and for so long time its untiring and eloquent defender and promoter.

We rejoice to learn from the reports of pastors of the evangelistic spirit that is possessing our Leaguers in many parts of the Conference, and that some signal revivals have had their beginning in the League.

We recommend that each Presiding Elder be asked to set apart one session of the District Conference for the consideration of the Epworth League interests, and that each pastor having a League in his charge be requested to hold a public installation service following the election of officers, thus magnifying before his entire Church the work of the young people. We recommend that our League anniversary be held on the first night of the Annual Conference next year as heretofore.

R. E. ATKINSON, *Chairman*.

J. FRANK ARMSTRONG, *Secretary*.

REPORT OF COMMITTEE ON BIBLE CAUSE

Your Board is greatly rejoiced at the output of the Bible Society for the past year. This has been made possible by the gift of Mrs. Sage and the legacy of Mr. Kennedy, together with the increase of resources from various channels of income.

This increase has not only enabled the society to maintain its annual output of Bibles, but to place over 400,000 volumes over last year in the hands of hungry multitudes. With the new million dollar gift the Society now has \$2,400,000.00 of invested funds, but the income meets only about one month of its annual needs, as the interest from these funds is a little more than \$100,000.00 while the necessary budget covers \$700,000.00. Because of the great increase of output there was an increase of twenty-five per cent. in the labor force this year.

The total output last year was 3,231,722 volumes which is more than three times the product of a few years ago.

Unprecedented opportunities have opened up in China, Japan, Corea, Persia, Turkey, Mexico, Central America, South American Republics and our island possessions. Whole communities are still being born into the kingdom of Grace through the Word, but millions still have not yet heard that there is a gospel. In answer to the question, are we doing our part? we are compelled to answer in the negative. Upon reference to our maximum contribution to this cause, as a Conference, we are more than 30 per cent. off, considering our vast increase in resources. But this is easily explained when we find that 84 charges failed to take the collection last year while

quite a number of our strong charges filled in the blank with a nominal sum. We would urge faithful effort on the part of each pastor in every congregation, promising on our part to send appropriate literature to each one. Send all collections either to J. A. Odell, Treas., Greensboro, N. C., or to Wm. Foulke, Treas. Bible House, New York.

G. G. HARLEY, *Chairman.*

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS

The mind, the soul of man, grows by what it feeds upon. No interest of the church needs more prayerful consideration than what our people shall have to read. No duty is more imperative than the obligation to furnish our people the best literature. Loyalty to our people on the part of our editors and publishers demand this and when this is done we can heartily appeal to the loyalty of our people in urging them to patronize our institutions.

Believing as we do that our editors and publishing house are measuring up to a high standard by furnishing the best literature, we do most earnestly and sincerely commend our papers and periodicals and all the products of our publishing house, The Nashville Christian Advocate, the Quarterly Review, the Sunday School Literature and Epworth Era deserve and demand our patronage. Special attention is called to the following books recently issued by our publishing house which have high endorsement: "The Work of Christ," by Bishop Marvin; "The Life of Bishop Soule," by Dr. H. M. DuBose; History of Church Government, by Dr. J. A. Kern.

Our own North Carolina Christian Advocate comes in for a large share of our attention. We have had before us the report of the Board of Publication and recommend its adoption. (See report). We are gratified to note a net increase this year in the circulation of the North Carolina Christian Advocate. We note also the recent enlargement of the paper, also improvement in the general appearance as well as in the contents of the paper. We feel that we have a paper that is worthy of a place in all our homes and that the time has come for a concerted effort to place it in every family represented in our membership. With this in view we submit the following recommendations:

1. That we adopt the Concord Plan of circulating the paper.
2. In order to prepare the way for the effective working of this plan, each presiding elder is urged to furnish the Advocate office full list of the official members in his district with postoffice addresses; also that the pastors are requested to furnish the office with the names and addresses of all families not taking the paper and

that this information be furnished not later than January 20th, next.

3. That February be designated as Advocate month, when an earnest effort shall be made to place the paper in every home.

A. J. RANKIN, *Secretary*.

W. A. NEWELL, *Chairman*.

REPORT OF THE BOARD OF PUBLICATION

The Board of Publication held its annual meeting at the Advocate Office in Greensboro on Thursday, November 2, 1911. A full report in detail was submitted by the Agent and Treasurer for the fiscal year ending November 1. This report, which is recorded in full on the records of the Board, contains a complete inventory of the plant, an itemized statement of receipts and disbursements, for the year, also a statement of our total resources and liabilities. The report shows a good increase in every department of the business, the largest increase being in the Job Department, the increase in this department being more than 40 per cent. as compared with last year.

It is exceedingly gratifying to be able to report a net increase in the circulation of the Advocate of about one thousand during the year. While this increase is not up to what it was hoped to realize, yet we feel encouraged to hope that the good work begun will continue and that another year may witness a much larger increase. In a Conference numbering more than 90,000 we feel that the circulation of our paper should never be less than 10,000; in fact, we are persuaded that, in view of the great need of more intelligence among the rank and file of our membership, we should immediately begin a campaign with the view of putting our paper into every home represented in our membership. With this in view, we trust that your committee on Books and Periodicals will formulate a plan by which this may be ultimately accomplished. Early in the year each charge should set apart one Sunday as Advocate day, and follow this Sunday service with a week of diligent effort in behalf of the paper.

The financial statement showing the condition of business November 1, 1912, is as follows:

RESOURCES

Office building	\$ 9,242.45	
Editorial office, furniture, etc.	1031.78	
Machinery and fixtures	15010.74	
Cash in Bank	967.56	
Accounts receivable	1415.90	
Subscription list, estimated	3500.00	
Total	—————	\$31168.40

LIABILITIES

Investment	\$15000.00	
Accounts payable	778.20	
Bills payable (notes)	6300.00	
Surplus	6750.44	
Net earnings for the year	2339.76	
Total		\$31168.40

Of the above indebtedness \$5,000 is on the building, and \$1,300.00 on machinery. The old debt for machinery was cancelled during the year and additional machinery and fixtures, to the amount of \$1757.19, were installed. Notwithstanding the heavy interest account amounting during the year to more than \$400.00, we are gratified to be able to set apart the sum of \$720.00 for the benefit of our Conference Claimants.

We call attention again to the importance of co-operation in the effort to build up our Job Printing business. Your Board insists that all the official work of the Conference be given to our own house. We urge that schools and colleges of the Conference turn their catalogue work and other work which can be done as well here as elsewhere, into our house. The fact that all the profits of this enterprise are designed to help the helpless ones in our Conference, ought to appeal to our people everywhere, and it ought not to be necessary to beg our people to turn patronage in this direction, if they can get what they want just as cheap. With the additions made to the plant during the past year, we are now able to take care of all book and pamphlet work, and we see no reason why, if our people throughout the Conference are considerate and thoughtful, the business in our Job Department may not be doubled next year.

Another reason why we appeal strongly for this is the fact that by building up this business we make it possible to produce such a paper for our Conference as we could never make otherwise.

The Board nominates Rev. H. M. Blair as editor for the ensuing year and recommends that the Conference confirm the same and that the Bishop be requested to appoint him to this work. The Board appreciates the faithful work of Rev. W. L. Sherrill, who, for five years, has served so efficiently in the capacity of assistant editor, and regrets that he has decided to retire from the work. Since he has decided to retire the Board feels that, for the present, the pastors should endeavor to look after the work which has heretofore taken most of the time of the assistant editor, and have advised that no assistant be employed. This will make it absolutely necessary for the pastors and official members to rely upon local effort to maintain and increase our circulation.

The Board nominates Judge N. L. Eure, of Greensboro, for re-election as a member of the Board to fill the vacancy caused by the expiration of his term.

Rev. H. M. Blair has been re-elected as agent and treasurer of the Board and general manager of the business.

REPORT OF THE JOINT COMMISSION

APPOINTED TO CONFER IN REGARD TO THE CONSOLIDATION OF THE NORTH CAROLINA AND RALEIGH CHRISTIAN ADVOCATES

To the North Carolina and Western North Carolina Conferences:

Your commission appointed to confer and report upon the consolidation of the above papers, respectfully report that they met in Greensboro, North Carolina, on the 8th day of February, 1911, and after a thorough investigation and discussion of the matter, have come to the conclusion that while consolidation is very desirable, and would be beneficial to the interest of the church in both Conferences; yet, is the opinion of your commission, the time is not ripe for such consolidation.

Respectfully submitted,

M. T. PLYLER, *Secretary*.

D. B. COLTRANE, *Chairman*.

REPORT OF THE BOARD OF TRUSTEES OF THE CHILDREN'S HOME

This fourth annual report of your Board of Trustees is for the second year in the history of our Children's Home.

We are profoundly grateful to God for His loving favor and tender watch-care over all the interests of the institution. The sound, healthy, and rapid development of this cherished enterprise of the Church could not have been accomplished had not divine wisdom guided and His spirit wrought with us.

We wish to express our appreciation for the love and loyalty that has been manifested toward this institution and the cordial spirit of co-operation accorded us by the ministry and membership of our Church in the Western North Carolina Conference. The words of sympathy expressed and the material help provided assure us that the care and support of this institution are upon the hearts of our people, not as a burden but as a delightful responsibility. With this beautiful love and loyalty of our people and unwavering faith in God's abiding power, we face a future that is bright with the promise of larger growth and usefulness for our Children's Home.

During the year much important work has been done in the enlargement of our equipment and facilities and in permanent improvements. Farming lands have been cleared and improved, and our farm promises to be an important and profitable asset of the institution. A good farm house has been erected. A modern dairy barn and silo with a herd of good dairy cattle have been provided.

The grounds have been surveyed, graded, and improved, and driveways and walks have been laid out so as to locate buildings and execute the accepted plans for the development of the institution.

The most important constructive work of the year has been the erection of the High Point building. This is to be used as the home for the Superintendent and for general administration purposes, and it will provide increased room for twenty-five children.

During the year we have cared for 118 children. Sixteen of these have been returned to relatives. Four have been placed in private homes. Ninety-eight now remain in the Home. The average number maintained during the year is ninety.

By the visitation and the constant oversight of the Executive Committee the Board maintains close connection with all the work of the institution. We are thoroughly informed with regard to the details of the management of the Home. We give it our cordial approval and commendation. The expenses of the Home are administered with good business judgment and wise economy. The health and happiness of the children have been diligently guarded, the instruction of their minds and the training of their hands have been directed with fidelity and skill, and good morals and sound religious principles have been inculcated by the faithful workers who engaged in the loving care of these children whom God has committed to us.

When the Board elected Prof. H. A. Hayes as Superintendent of our Children's Home we believed that under divine guidance we had found exactly the right man for this very important position. After two years' close supervision of his wise and successful administration we are confirmed in our former judgment. It was God's good providence that called Prof. Hayes to this work. With loving ardor he has devoted himself to it. With increased confidence we repeat what we said a year ago! "To him and his good wife we are now assured we can safely trust the mental, moral, and physical training of our homeless children."

We wish to call your attention to the urgent need of a suitable building for the school work in the Home. Feeling the pressure of this need, the Superintendent has, with our approval, devised a plan by which it is our purpose and hope to raise fifteen thousand

dollars for the erection of such a building. The plan, briefly stated is to issue one hundred and fifty shares of stock at one hundred dollars each. Subscribers may take as many shares as they wish, and stock certificates will be issued upon payment on cash of goods. The stock thus issued will, of course, bear no interest in money, but will yield perpetual and invaluable dividends in manhood and womanhood rescued and developed from the adverse conditions of want and sin. We heartily commend this enterprise and the plan by which it is to be wrought out to the favorable consideration of our Conference, and we earnestly hope for a generous response in subscriptions for stock.

During the past three years Rev. J. P. Rodgers has served as the Financial Agent of the Home. At the recent meeting of the Board he felt impelled to resign his office in order that he might return to the work of the pastorate. Brother Rodgers has been faithful and eminently successful in his work for this cause. It is difficult to estimate the value of his services. Certainly they cannot be measured by the amount of money secured in cash and subscriptions, though he has been remarkably successful in the actual and tangible results secured. Of still greater value perhaps is the work he has done in bringing to the great masses of our membership knowledge and appreciation of the importance of our Orphanage work.

We are deeply grateful to Brother Rodgers for the great and good work he has done for our Children's Home.

Rev. J. F. Kirk has been elected Assistant Superintendent and Field Agent for the Home, and we request that he be appointed by the presiding Bishop to this position.

For the support of the Children's Home, we ask the continuance of the plan adopted at the last session of our annual conference.

These terms of office having expired: Rev. N. R. Richardson, G. F. Ivey and J. K. Norfleet and Rev. T. F. Marr have been nominated for re-election as members of this Board of Trustees, and we respectfully request the Conference to ratify the nomination of these brethren.

Respectfully submitted,

T. F. MARR, *President.*

REPORT OF COMMITTEE ON SPIRITUAL STATE OF THE CHURCH AND EVANGELISM

The progress in spiritual things as reported by the preachers leads us to conclude that good work has been done and that the spirit of evangelism is alive among the brethren, yet, we are convinced that much more should be accomplished in the way of

spiritual growth and development. We have given serious consideration of the plan of inaugurating a special evangelistic movement throughout the Conference. We recognize that the saving of souls is the one great work of Christ's church, and while we all do lay emphasis upon that work, yet in our very enthusiasm to press other claims, there is danger of our stressing organization and financial needs to the neglect of evangelistic effort.

We must be awake to the spiritual needs of the great multitudes, lest when they ask for bread we, in our preaching, give them stones. Therefore we recommend:

1. That the Bishop appoint an Evangelistic Committee of three for the whole Conference and that this committee select one man from each district to assist in carrying out the plans they may formulate.

2. Realizing the power and effectiveness of song in evangelistic effort, we recommend that this committee be empowered to employ a Conference song evangelist who shall assist when and where the committee may direct. We recommend for this place Mr. A. N. Fisher. Believing that no better hymns can be used than those found in our standard hymnal we recommend that these be used in our evangelistic services and thus more thoroughly acquaint our people with them.

3. We urge our pastors to endeavor to make every regular preaching service a definite soul-saving occasion and that they hold their own meetings as far as possible whenever special meetings are necessary.

4. We urge our people to fall in line with the pastors in this work and not to oppose them in holding special services whenever, in their judgment, the time is ripe.

5. We suggest that the evangelistic committee formulate some plan for getting the people enlisted in a campaign of prayer throughout the Conference.

6. We recommend for the Conference Evangelistic Committee, J. E. Abernethy, L. T. Cordell and J. W. Moore, and feeling the urgent need of a great forward movement in the matter of soul saving in these days when the cry of material and commercial advancement rings so loudly in the ears of our people, we beg of the Conference to be in earnest and give hearty support to the action herein suggested.

JOHN W. MOORE, *Chairman.*

CHAS. H. NEAL, *Secretary.*

REPORT OF COMMITTEE ON TEMPERANCE

1. We have had under consideration the report of Rev. R. L. Davis, Superintendent of the North Carolina Anti-Saloon League. We endorse the League, the work and its literature and commend it to our people, especially the North Carolina edition of the American Issue and pledge to the League our moral and financial support, as in its organized form it is the church militant against the liquor forces.

2. Seeing the lack of enforcement of the prohibition law in some sections, we recommend the organization of Law and Order Leagues wherever the liquor laws are not enforced, as the most effectual way for temperance people to work. We are inspired by the Law and Order League of Asheville and are encouraged by the example of the Hon. Virgil S. Lusk at the head of the League, in his heroic work for law enforcement, and others who are standing like him in their respective communities.

3. We still rejoice that we have a state-wide prohibition law, and pledge ourselves to its enforcement and to the support of those only who are in favor of its enforcement, for failure to carry out the law would soon cause demand for its repeal.

4. We also rejoice that the last General Assembly enacted laws prohibiting the sale of near beer and all alcoholic beverages in our state. This law also forbids the handling, ordering or storing of liquors by clubs. We commend the action of the authorities of Wilmington, Asheville, Durham, Greensboro and other towns for making notable advancement in prosecuting liquor sellers.

5. We recommend that Sunday schools and kindred organizations give temperance entertainments and opportunity for the signing of the total abstinence pledge.

6. The cause of temperance has been hindered in our state by the lack of an inter-state commerce law prohibiting the shipment of liquors into temperance territory. We therefore urge Congress to enact a law prohibiting the shipment of liquors into prohibition territory, or the use of the United States mails in advertising intoxicating liquors. And we heartily commend the passage of the Webb bill to carry out this plan.

7. We respectfully protest against the advertising of intoxicants by our newspapers and urgently request that those papers which now carry such advertisements discontinue the same when their present contracts expire.

8. Seeing the widespread and harmful effect of the tobacco habit, especially in the form of cigarettes, we should be diligent in teaching the young the dangers of the use of tobacco, and we

entreat those confirmed in the habit to cease from its use. We also request each pastor once a year to read to his congregation the law against the sale of cigarettes, tobacco, etc., to minors. (Sections 3804 and 3805 of the Revisal of 1905.)

We further recommend that the second Sunday of April or as near thereto as possible be set apart as Temperance day and a temperance sermon be preached and the law relating to the sale of cigarettes to minors be read.

Your committee commends the advanced position taken by our last General Conference in which those in authority were urged to admonish our young ministers to abstain from the use of tobacco.

9. Not only must we keep up our fight for law enforcement but national legislation must be secured. To this end a mass meeting has been called to meet in Washington, D. C., Dec. 14, 1911, and as the Biennial Convention of the Anti-Saloon League will embrace the three days preceding this meeting, we recommend the following be appointed delegates to this convention. C. W. Byrd, S. B. Turrentine, W. D. Turner, Dr. J. W. Weaver, Frank Gurley, with the following alternates: H. K. Boyer, E. K. McLarty, S. L. Rogers, C. W. Tillett, C. R. Hoey.

10. We recommend the appointment as members of the Executive Committee of the State Anti-Saloon League, N. L. Eure, C. W. Tillett and H. M. Blair.

E. MYERS, *Chairman.*

FRANK GURLEY, *Secretary.*

REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS

Your committee asks to report that the records of the Charlotte, Morganton, Salisbury, Statesville and Winston Districts are accurately and well kept. The Asheville record is well kept with the exception: (1) The report of Committee on Spiritual State of the Church is signed in pencil instead of ink. (2) The writing is not very legible.

In the Waynesville record the roll appears in the middle of the proceedings when it should be at the beginning.

The North Wilkesboro record is well kept, but we note some slight defects indicating a lack of neatness.

The Shelby record is well kept but needs to be rebound.

The Greensboro record has some blots and blurs—otherwise well kept.

The records of the Franklin and Mt. Airy Districts were not before the committee.

MEMOIRS

REV. SOLOMON HILARY HELSABECK

BY B. M. TAYLOR

Solomon Hilary Helsabeck was born in Stokes County, N. C., March 10, 1822, and died near the place of his birth, December 11, 1910.

His education was good for the times, and he lost no opportunity for self-improvement. His early school advantages were so poor that after his marriage he moved to Trinity College where he pursued his studies for some while.

He was converted in early life, and at once began a life of constant activity for the Master. He was licensed to exhort by the Quarterly Conference of Stokes Circuit at the age of 18. He exercised as an exhorter for three years, and on August 22, 1843, at old Mount Gilead Camp Ground, the Stokes Circuit Quarterly Conference granted him license to preach and recommended him to the North Carolina Annual Conference for admission on trial. He was admitted at Halifax, Virginia, in November, 1843, being then 21 years of age. Bishop Morris was the president of the conference. He passed the usual course of study and was ordained deacon in 1845, and according to the best information obtainable he was granted elder's orders in 1847.

He was happily married to Miss Margaret J. Banner, January 20, 1847. They had no children.

Following is a list of his appointments as best they can be obtained from the meager records at hand;

1843-44, Mocksville and Salisbury; 1845, Granville; 1846, Currituck; 1847, Surry; 1848, Randolph; 1849, Wilkes; 1850, Located. 1854, re-admitted and traveled Guilford Circuit in 1854-56; 1857, Mocksville; 1858-59, Iredell; 1860-62, Forsyth; 1866, Stokes; 1868, Stokes; 1871-72, Forsyth; 1874, Guilford; 1876-77, Forsyth; 1878-79, Stokes; 1885, Forsyth; 1889, supernumerary till 1896 he was superannuated, which relation he sustained till his death. (The data was not available to give a complete record of his Conference appointments).

Brother Helsabeck kept a daily record of events in his life, which is full of interest locally, but strange to say not a word is found in all his diary so far as the writer could have time to investigate that gave any information as to the charges to which he was appointed at the conferences. He

spoke of attending conference but never once mentioned his appointment in the diary. He was no ordinary man. He was above the average in preaching ability. He bought and read many of the best books, and hence was a man of broad intelligence.

Brother Helsabeck was what has been termed a local itinerant. He belonged to conference and received his appointments as others but never moved to his charge. He served the surrounding charges again and again, and always acceptably, as he was always a splendid preacher. His local popularity may be estimated by the fact of his being so much in demand for funerals, and officiating at the marriage of over 1,700 people. He performed the last sad rites over 121 soldiers, and baptized many hundreds of people, both infants and adults.

He attended the annual conference in Winston in 1910, at which he contracted a cold, from which he never recovered. His end was peaceful and triumphant. By his own request the funeral sermon was preached by Rev. J. E. Abnerethy.

He left all his remaining property, after paying all debts, to Greensboro Female College, which was a token of his lifelong interest in education.

REV. THOMAS A. BOONE

BY G. T. ROWE

Rev. Thomas A. Boone was born in Sumter County, S. C., November 14, 1831, and died in Mocksville, February 4, 1911.

Brother Boone was in every sense a Christian gentleman. He was born well, his parents before him having been Christians and members of the Methodist Church. His mother especially enjoyed a profound sense of peace in the love of God. In his 16th year, he was consciously converted and led into the church.

Even from the early days of his Christian experience, Brother Boone manifested a thoughtfulness, which made it advisable to place him in the responsible position of class leader, and such was his recognized value to the church that he was seldom without official position in it. Although he felt a call to the ministry from early childhood, his reticence and modesty held him back until he was 32 years of age. During the long years of service, he filled with faithfulness and acceptability almost every variety of appointment. His preaching was scholarly, earnest and persuasive, and his utterances reinforced by the gentleness and beauty of his life. His interest in the great truths of Christianity and the progress of the gospel remained keen as long as he lived.

Brother Boone was first married to Miss Emily R. Beckham, of Lancaster, S. C., in 1849, and on February 14, 1873,

after almost a quarter of a century as the companion of an itinerant preacher, Mrs. Boone passed within the vale, leaving her testimony to the full assurance of salvation in Jesus Christ. Her parting words were: "Precious Savior."

He was again married on the 14th day of February, 1875, to Miss Emily M. Howerton, of Raleigh, N. C. This union was not broken until the 23rd of December, 1904, when in the fullness of days the faithful wife preceded her husband into the other world.

In the year 1885, when Brother Boone was pastor at Oxford, N. C., he became not only deeply interested in but profoundly concerned about holiness or sanctification, as a second work of grace, following justification. After reading Wesley, Summers, and other writers, as well as the Bible, he became convinced that most Christians have the privilege of entering upon a more satisfactory and enjoyable experience. Being convinced in mind, he soon became convicted in heart of his need of a more thorough work of grace in his own life. This experience he began to seek until his heart was satisfied with a fulness of love and devotion such as he had never before enjoyed. It was during a revival, when many were being awakened, and saved, that this new peace came to him. His joy in living increased, and he began to preach with a fruitfulness and boldness that he had not had before. He also began to yearn intensely for the conversion of sinful men and to long earnestly for the time when the "knowledge of the Lord shall cover the earth as the waters cover the sea."

Another doctrine upon which he thought deeply was the second coming of Christ. Pained to the depths of his sensitive soul by the prevalence of evil in the world, he longed for the time to come when evil would be banished and from a careful study of the prophecies he was led to believe that the coming of the Lord was near. This doctrine was a source of unfailing comfort to him during the late years of his life.

Although these two doctrines furnished ground for disagreement in opinion he was not fond of controversy, and while he loved to discuss the great truths of Christianity, he never lost his temper or failed to treat one who disagreed with him with that fairness which he desired for himself. The *Odium theologicum* had no meaning or illustration in his life. While many of his brethren did not agree with him in the definition of holiness, all admitted that the best argument in favor of his doctrine was his life.

His confidence in the Methodist Church, its doctrines and itinerant system was perfect. He had no doubt that the preacher who surrenders himself wholly to the church and does the most faithful work he can, will be divinely guided into the place of service for which he is best fitted. Six years before his death, after a hard year's work at El-

kin, he decided that it would be better for him not to take work the next year. He took the superannuate relation at conference, but his health seemed to improve so rapidly that when a pastorate that he had formerly served with great acceptability became vacant, some of his friends suggested that he should ask to be appointed to it. "Well," he said, "I had thought of that; I believe that I could do the work required, but I will not say anything to the authorities about it. I am God's servant, the church is God's church, and if He wants me to take it He will send me to it." His affection for his brethren never grew less, and he waited with joy and patience for his transfer to the church triumphant.

Found among his papers, was a brief, simple sketch of his life. The closing paragraph reads as follows: "And now my last word to my dear children and to my brethren in the ministry is: Seek to enter into the fulness of the blessing of the gospel of Christ; strive to be perfect, as your Father in Heaven is perfect. Pray for the life that is hidden with Christ in God, that when Christ, who is our life, shall appear ye also may appear with him in glory. 'Let your loins be girded about and your lights burning; and ye yourselves like unto men that wait for their Lord, when he will return from the wedding, that when he cometh and knocketh they may open unto him immediately.' 'Therefore be ye also ready, for the Son of Man cometh at an hour when ye think not.' I am waiting and looking for Him, as the Bridegroom to send for the Bride, to make herself ready, and to appear in the secret place up in the air where he will come for her and take her to himself in the place where the marriage supper is prepared. My body may fall asleep before the hour; if so, then my hope and expectation is that I shall come with Him in glory."

REV. THOMAS H. EDWARDS

BY E. K. CREEL

Rev. Thomas H. Edwards, son of Henry H. and Mary Snipes Edwards, was born in Orange County, North Carolina, January 11, 1830, and died at Rutherford College, North Carolina, July 9, 1911. He was educated at Randolph-Macon College, Virginia, joined the South Carolina Conference at Greenville, South Carolina, in 1869, and spent eleven years in that Conference, twenty in the North Carolina, and twenty-one in the Western North Carolina Conference.

During a ministry of more than a half century Brother Edwards found many fields of labor. Through the stormy days of the sixties and reconstruction days he labored with his peers to shepherd a stricken people and to establish among them our beloved Methodism. He loved the Southland and was a soldier in the cause of the Confederacy. Strong in

body and will he was ever ready to serve and suffer. No less was he a soldier of the Cross and fought bravely under its banner. As a minister he wrought well, serving appointments of not a few counties of two states. Owing to the re-arrangement of Conferences and pastoral charges it is now not easy to locate these appointments. It is certain, however, that he was on circuits in North Carolina in Gaston, Lincoln and McDowell counties and for several years before his superannuation colporteur for the Western North Carolina Conference. It is said that in all these fields of labor he did faithful and successful work. About twelve years ago his active ministry ended and since then he has been in the superannuate relationship. For more than a year before his death the writer had known Brother Edwards and had seen him almost every day. He was modest and retiring and considerate of others. As a visitor he would often say that he did not want to be in the way. He was never in the way for his visits always left a benediction. In the last days before his death when from feebleness he could no longer stir without, seated on his front porch which overlooks the Western mountains, he had glorious views of the sunset and watched for the evening star. So did set the sun of his earthly life and even so did the star of his soul arise.

REV. THOMAS TYLER SALYER

BY T. E. WAGG

No truer man has ever lived among us than Rev. Thomas Tyler Salyer and few have wrought more faithfully. He was not ambitious for worldly honor, never sought after fame or courted public applause, but he was faithful to every trust, as an humble servant of the church, whose chief ambition was to bring men to Christ. He was thoroughly consecrated in life, always going at the bidding of his church though often to the hardest fields. Many of his appointments required long and expensive moves, but these were made uncomplainingly, and with a feeling that the hand of God was in it all. With peculiar tact he adjusted himself to new surroundings, and the people were made to feel they had a pastor who loved and would care for the flock.

His preaching was clear cut and to the point, and resulted in the conversion of many souls. If the number who have been lead to Christ through the direct influence of this consecrated man could be assembled in one place it would be quite an army.

He was born in Wise county, Va., June 9th, 1838, and died near Norwood, Stanly county, N. C., June 5th, 1911. Brother Salyer was brought up on the farm, and the lessons of industry and economy learned there were of great service to him in the work of the itineracy.

He was converted at Sulphur Springs, Dickensville Cir-

cuit, Va., in 1865. Was licensed to preach on the Bristol Circuit, Holston Conference, in 1866, only one year after his conversion. He joined the Holston Conference at Cleveland, Tenn., 1867, was ordained deacon by Bishop Doggett, 1869, at Abingdon, Va., and elder by Bishop Pierce, in 1871, at Morristown, Tenn.

Brother Salyer began his ministry in East Tennessee during the reconstruction period after the Civil war. This was a time especially in that section when manhood was tried. His first charge was in a section of the country where it was dangerous for a Southern Methodist preacher to go. After his appointment was made, some of his friends, knowing the great danger to which he would be exposed, advised him not to go, but true to his convictions he went. While the passions of men were stirred by war, and his life was in constant danger, he was unfaltering in his fidelity to the church, and faithful to every duty. He was brave, honest and true, and would have been great when "knighthood was in flower."

He served the following charges in the Holston Conference: Flat Top Mission, 1867; Decatur Circuit, 1868-69; Dandridge and New Market, 1870-1-2; Athens Circuit, 1873-9; Independence, 1880-1. At the expiration of his second year on the Independence Circuit, his health failed, and he was placed on the supernumerary roll, in which relation he was continued for four years when he became effective, and was assigned to Abingdon Circuit, in 1885-'6; Elk Garden Circuit, 1887-8; Pigeon River, 1889-90-1. In the Western N. C. Conference, Mt. Pleasant Circuit, 1892-3. Bryson City Station, 1894; Pleasant Grove Circuit, 1895; Waxhaw Circuit, 1896; Shelby Circuit, 1897-8; Lowesville Circuit, 1899-1900; Lincolnton Station, 1901-2-3; Mt. Holly Circuit, 1904; Cottonville Circuit, 1905-6-7-8. In 1909 he was superannuated in which relation he remained until his death.

I have been intimately acquainted with him for many years and knew him well. I loved and honored him as I knew him. He was true to his holy calling to the last. He kept the pledge of his ordination vows, and his credentials will be returned to the archives of his church without the slightest stain of reproach or dishonor, as spotless as they were when committed to his keeping.

Brother Salyer was extremely ill for several months before his death, and therefore had ample time to thoroughly examine the preparation he had made to meet God, and begin eternity. It was perfectly satisfactory. It was not hasty preparation, but extended through the whole period of his Christian life and ministry. When life here came to an end, a better life awaited him on the other side.

He loved his brethren of the ministry with an unselfish devotion. The following was found, written above his signature, in an old Conference Journal after his death: "When I am gone, tell my brethren of the Holston I loved

them to the end." The last thing he tried to say before the spirit took its flight, was a whispering message of love and devotion to his brethren of this Conference.

"Servant of God, well done."

REV. WALTER O. RUDISILL

J. H. WEAVER

Walter O. Rudisill was born May 29, 1877. Married to Miss Angie Ware Oct. 2nd, 1904. Joined the Conference 1905. Before he joined the Conference he served the El Bethel, and Harmony Charges as supply. After he joined the Conference he served the following charges:

Maiden Charge two years, Chadwick one year, Boone Charge one year, South Shelby one year, and Temple, Arizona, part of a year. While at Shelby his health failed, and he went west, hoping a change of climate would be beneficial. For a while he improved, but in a few months began to decline. And then coming home he lingered for a few months until on Sunday evening, Oct. 29th, he was released from his suffering and went home, to be forever with the Lord. Bro. Rudisill as a boy made a record highly creditable to himself and his good parents. He had the respect and confidence of all who knew him. His life had no stain of sin upon it. His was a clean, noble, manly soul, of fine parts intellectually, and well equipped for his work. He possessed more than ordinary ability for one of his age, and experience. He was a diligent student and sought to make the most possible of all of his powers. If he had lived and been blessed with health he would have taken high rank in his conference. He loved the work and was an earnest and zealous worker. He did his duty faithfully as he saw it. He was anxious to get well that he might continue to preach, saying during his sickness that he thought he would know better how to preach, after being denied the privilege for a while. But during all his long affliction he was patient, and fully resigned to the Lord's will. He did not murmur or complain at the prospect of being cut down in his young manhood. Life was pleasant to him and he had much to look forward to of happiness, and success, but was ready and willing to abide the Master's call. Death came to him a little sooner than was expected. He had hoped to so far recover as to be at this conference, but was denied the privilege. He has answered the roll call on high. And now his freed, redeemed spirit mingles with the spirits of that large and increasing company from our conference who have entered into eternal rest. His work is finished; he has heard the Master say, "well done." Besides his parents and brothers and sisters he leaves a cultured, Christian wife who sits desolate and lonely waiting for any call for service that she can rend-

er to the Lord. May God comfort her in her great sorrow, and open some field of usefulness in which she may to some extent carry on the work her husband has laid down.

DECEASED WIVES OF PREACHERS

Mrs. Jennie Clegg Webb was born near Pittsboro, N. C., Aug. 12, 1844, married to Rev. R. S. Webb Dec. 20, 1865, and died at the home of her daughter, Mrs. J. W. Cannon, near Greensboro.

Some have wondered at the long successful ministry of her husband but they did not see the quiet, devoted, inspiring support in all his toils. She, the gentle spirited saint, has gone to be with God and the angels and her sainted husband.

Mrs. Cary Camelia Latham was born in Johnson Co., Tenn., March 25, 1882, and joined the Methodist church when fifteen years of age. On May 1st, 1898, she was married to the Rev. A. L. Latham. She was faithful in all the duties of an itinerant's wife and after a lingering illness departed this life in Asheville, N. C., August 17, 1911. "Gone, but not forgotten."

Mrs. Mary Francis Stephenson, nee Cundiff, was born April 12, 1840. She was first married to Mr. Frank Burns, of Virginia, second to Rev. R. T. N. Stephenson, and was for 44 years an itinerant preacher's wife, sharing the toils, triumphs, joys and sorrows incident to that life. For the past five and a half years she was in widowhood for the second time. During these last years she lived a contented Christian life. The end came by natural decline of strength. After a brief illness on December 6, 1910, she fell asleep.

Martha J. Douglas, daughter of the late Mr. David Douglas, of Iredell County, in her youth gave her life to Christ and later became the wife of the late Rev. M. V. Sherrill. For many years she shared the joys and sorrows, the triumphs and the sacrifices of her eminently useful husband, until finally on October 2, 1911, she was called to rest at the age of 74 years and also to meet her saintly husband who had preceded her to the heavenly world.

It can be truly said of her: "She hath done what she could."
